PROJECT SUMMARY

Situated in the Columbia-Shuswap region of British Columbia, Sicamous is a popular year round tourist destination. The market serves as a vital midpoint connecting Salmon Arm and Vernon through to Revelstoke. Beyond tourism, non-discretionary industries like forestry, agriculture and transportation play integral roles in driving the local economy.

Anchored by Dairy Queen, the project is strategically positioned along Highway 1 with great highway visibility and is located next to Chevron and A&W on the adjacent site creating a unique and desirable synergy among the coteranancy. This prime location is perfectly designed for food users with ample power and HVAC existing within the units.
