PROJECT SUMMARY

Located in downtown Vancouver's vibrant Stadium District, 871 Beatty Street offers a prime restaurant opportunity steps from BC Place, Rogers Arena, and Stadium-Chinatown SkyTrain Station. The property benefits from strong pedestrian traffic, excellent transit connectivity, and a growing mix of nearby residential, office, and entertainment uses that drive consistent daily and event-based activity.

Delivered as a turnkey opportunity and fully built out for restaurant use, the space is ready for immediate occupancy, allowing operators to open and begin serving customers without delay. The location is further strengthened by the upcoming FIFA World Cup 2026, which is anticipated to generate exceptionally high visitor volumes in the area beginning this summer and continuing for months following the event. An ideal opportunity for restaurant and food & beverage operators seeking high visibility in one of Vancouver's most active entertainment corridors.
